Tankersley C of E (A) Primary School 2020

Dear parents and carers,

In line with new guidelines - please can you complete this new MEDIA CONSENT form for your child and return it to school as soon as possible.

Tankersley school often uses different forms of communication to share learning with parents and to celebrate the work we do in school. We often take photos and videos of our school concerts, performances, church services, class learning blogs, competitions, sparkle and shine celebration assembles and many more events. We do not use children's full names alongside any pictures or videos and avoid using names altogether as part of what we share. (Occasionally the press such as Barnsley Chronicle may require a name for a press release e.g. for a competition.)

We see these photos and videos of our events as positive experiences and a way to celebrate learning as well as great mementos for parents to keep in the future. However, we appreciate that some parents may not want to give media consent for their child to be included in some of these forms of communication. (Please be aware that if consent is not given in some areas, then your child cannot be included in the filming of some events e.g. concerts as these will be shared on the school website.) Please contact school if you require further clarification.

Please enter a yes or no response in the boxes below for your consent for your child's photo or video to be included the following forms of communication whilst they are a pupil at Tankersley St Peters.

Name of child (Block Capitals):	
Name of person responsible for the child:	

I give permission for my child to be photographed or videoed for school and used in the following (Please tick):	**YES**	**NO**
