Nursery
Newsletter
25th September 2023

This week we will be investigating the sense of hearing. Our investigations will be focused on musical instruments and the different sounds they make. We will be thinking about different ways to play musical instrument, such as plucking, blowing, shaking or tapping. We will be going on a listening walk around school. We will be listening closely to all the sounds around us and talking about the sounds we can hear, such as telephones ringing, people talking, cars revving, birds singing etc. After our walk we will try and remember all the sounds we heard.
Our literacy focus is on books with a noisy theme such as 'Polar Bear, Polar Bear, What do you Hear?' by Bill Martin Jr, 'Noisy' by Shirley Hughes and 'Peace at Last' by Jill Murphy. We will also be trying to imagine what it would be like to not be able to hear sounds and learn some simple sign language.

Your child's Christmas angel card design order form will be coming home soon. Please follow the instructions on the form and order your products on line. Return the order form to Nursery if you have ordered anything as soon as you can. The deadline is 18th October.
Many thanks,
Mrs Terrell
