

Class 3 Homework
Autumn 2017 - Autumn Half Term 2

<p>Write about your half term holidays. What did you get up to? Did you have a favourite day? Include description in your writing!</p>	<p>Answer the following: 1) $325 + 153 =$ 2) $180 - 164 =$ 3) $8 \times 8 =$ 4) Teach your parents about Bar Modelling! Show them a bar model that shows $7 \times 3 = 21$.</p>	<p>Find out who the Anglo-Saxons were. When did they invade Britain? What things changed because of the Anglo-Saxons?</p>	<p>What is a fossil? Where can they be found? What causes fossils to happen? If you have any, could you bring one in?</p>
<p>Remind yourself about what the 3 main types of rocks are. How are they made and what do we use them for?</p>	<p>Write about our trip to Bradford. Include: - Your favourite part. - Something you learnt. - Something that was different.</p>	<p>What is Hinduism? Which country did it come from? Find 5 interesting facts about Hinduism!</p>	<p>Based on our book 'Flotsam' - create a diary entry about a mysterious underwater camera that you have seen. What did you see on the camera?</p>

Dear Parents / Guardians,

Please could your child complete one piece of homework per week from the grid, which needs to be handed in by Thursday each week. I will continue to set new MyMaths homework so please look out for this, and let me know if you are having difficulties in logging on! One piece of MyMaths homework should also be completed.

A reminder that spellings and times tables will be practised weekly. Spellings will be logged through the RWI Log Book which children should bring home to practise.

Thanks
Mr McNerlin
