

United Unicorns NEWS

A Warm Welcome !

Hello parents and carers, and a warm welcome to year 5. I hope had a restful holiday and are ready for a busy and exciting half term. I will post a copy of this newsletter in the entrance to Class 5 and on the school website. To save on paper we will not be issuing hard copies.

Literacy - This week we start our new picture book - the Wolves in the Walls. We will look at how we can learn more about characters from very subtle clues. We will also look at the character of Lucy and write own version of how she rescues her " Pig Puppet".

Numeracy - we will continue to look at place value (numbers up to one million) and carry out investigations and play games that help us develop skills in this area.

Topic - The children will be learning about the Elizabethans this term. We will start off looking at portraits of well know monarchs from that period of History. I will send out a letter about our first trip to Haddon Hall, next week.

Notes

PE will take place on Tuesday and Friday this term. Please ensure that you have your PE in school at all times. Children will be learning to play a brass musical instrument. As part of their experience they will be allowed to take the instruments home with them. Please ensure that the instruments are returned to school on **Wednesday** so they are all ready for the lesson on Thursday.

Thank-you! Mr Evans .
