Phonics text

Read Write Inc. Phonics is used by over a quarter of the UK's primary schools. It is a comprehensive literacy programme, weaving decoding, comprehension, writing and spelling together seamlessly. Ruth Miskin developed the programme during her time as a head teacher in Tower Hamlets. She believes that in order for a school to be successful, every head teacher needs to adopt a consistent whole-school approach to teaching reading, writing and spelling. Fidelity to the teaching programme, rigorous assessment, tracking and one-to-one tutoring ensure that schools guarantee progress for every child.
