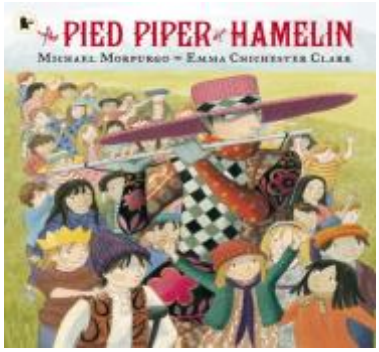
Magic Martian News!



6.3.17

Dear parents/carers,

Please remember that we have our adventure to Kingswood very soon. You should have had a 'What to pack' and 'Arrangements' letter- if not please ask for one. Also please can Cheryl Booth-Dobson have your year book photos as soon as possible?

In English we will continue to use The Pied Piper as a stimulus for our learning. Main activities for English are- To be able to assess the effectiveness of another piece of writing and propose changes to vocabulary, punctuation and grammar to enhance effects, to be able to precise longer passages by varying sentence types, to be able to identify and write direct and indirect speech and to be able to understand a text by retrieving information, understanding words in context and using inference skills (PEE)

This week our theme is Measurement.
Main Maths Mastery activities for this week are- To be able to convert between miles and kilometres and to be able to use, read, write and convert between standard units, converting measurements of time and distance.

Curriculum activities for this week include- History/Geography: How did the plague travel to Eyam and what was the impact on the people who lived there? (notelet from George Viccars) RE: Who were the friends and enemies of Jesus? Art: To complete a collage of the Eyam plague cottages and PE: Net wall games (Volleyball/Badminton) and Gymnastics.

Please feel free to speak to me any time after school.
Thank you.
Lorna Johnston
