

Home Learning Grid : Reception Class Autumn 1b 2016

Here is an outline of the home learning activities for Reception class this half term. You may choose to complete one of these activities each week. Please sign the grid to show that you have done an activity and send back your child's Home Learning book each Thursday (including photographs, pictures, writing, children's quotes, or creations). Please ensure that you read at least 3 times a week with your child and 'adult model' reading, writing and use of mathematics in daily life. Thank you so much for your continued support.

My life

Can you draw a picture or find some photographs of something you have enjoyed doing with your family? You might have seen some fireworks, been to a birthday celebration or had a fun day out!

Parent comment:

Numbers

Can you build a tower using construction pieces? How many blocks tall is your tower? Can you practise writing this number?

Parent comment:

Perform

Have you got the X-Factor? Record a singing or dancing performance using your favourite song. You can record it on CD or a memory stick or if you're feeling brave, you can perform it to the class!

Parent comment:

Weather Diary

Keep a record of what the weather is like for a week. You can record your findings using pictures and/or words.

Parent Comment:

Paint

Choose your favourite character from a book or from the television. Can you paint a picture of this character?

Parent comment:

Write

Can you write your own Christmas list? I wonder what you will ask Father Christmas for!
