

Newsletter Class 2

W/ c 4th September 2017

Welcome back!

This half term our topic will be based around different habitats, we will be looking at animals that live in the African jungle. We will also be studying the life of a Mexican family and comparing their life and surroundings with our own.

In English we will be writing about our wonderful holiday experiences. The children will be asked to share what they did over the summer. The children may bring in any photographs, postcards or souvenirs to help support their work.

In Maths this week we will be carrying out some place value work.

In Art we will be making large monkey collages to display in the classroom.

In PE we will start our gymnastic work.

In R.E. we will be starting our topic on celebrations and festivals.

Note

My Maths homework is set from 08.09.17 - 22.09.17. The homework is based on Place Value. This homework can be done as an alternative task to one of the activities from the homework grid. Please write in your child's homework book that they have completed the My Maths task or date one of the chosen activities on the grid.

If you have any queries please don't hesitate to contact either of us. Homework books need to be returned on Monday Morning and placed in a box near the computers. New reading books will be sent home on Fridays.

Many thanks

Mrs S. Chadburn & Mr A. Townsend
