

## Newsletter Class 2

W/ c 13th November 2017

Our English focus will be based on the story 'The Star that fell'. In this story a star falls from the sky into woodland, various animals find the star and take it to their homes. However a little girl finds the star and locks it in a box, the star fades until it is reunited back in the sky with its friends. In the 'Big Write' session the children will have to write an alternative version of this story but the setting and characters will have to be changed.

In Maths we will be continuing with our topic on money. We will be exploring different combinations of coins to make the same total.

In P.E we will be continuing our gymnastic work.

In History we will be learning about Remembrance Sunday and the importance of poppies.

In Science we will be learning about light.

In Computing we will be continuing to use 2Paint to create artwork on the computer.

In RE we will be looking at the 'Story of the Miracle of the Oil' in Judaism. We will be writing a play script for retelling the story and will be acting this out by making puppets for our shadow theatre.

In Music we will be working with Mrs Cooper on our Nativity songs.

We will also be continuing with our Christmas Nativity play rehearsals.

### Notes

This week it is Anti-bullying week. We will read and have discussions on the book 'We are all born free' and this year's logo:

'ALL DIFFERENT ALL EQUAL.'

It promotes difference and equality in schools. We will create our own 'Rights and Responsibility Charter' over the week and read these out in the Friday assembly. Also we will make a badge reflecting this year's anti-bullying message/symbol-to be worn on uniform.

We are going to try and recreate Van Gogh's 'Starry Night' picture using different coloured bottle tops. Could you please save any and bring them to school. If you have any queries please don't hesitate to contact us.

Many thanks.

Mrs S. Chadburn & Mr A. Townsend  
Mrs K. Leather (Student Teacher)  
Mr E. Newsome (Student Teacher)
