

A note from Miss Phillips

Welcome back to another exciting half term! As we head towards Christmas, we have lots to look forward to in Year 4.

You may have noticed our new name – check out our website post for more information on this!

This term, we will be exploring climate zones and biomes, learning about the digestive system and getting creative with our Tudor drawings. We will also be busy rehearsing our Roman dance and enjoying some festive activities as Christmas approaches.
