at Home

20<sup>th</sup> April 2020

What's going on this week?

20th-26th April

**Do we think people will travel less in the future?**

New figures revealed on the 7th April by the Department of Transport show that only a very small proportion of people in the UK are still travelling during the lockdown period that the government have imposed during the COVID-19 outbreak. Visits to shops, museums and cafes in the UK have fallen by 85% since the coronavirus outbreak, according to data shared by Google. The government has supported Google in using data in this way.

Things to talk about at home...

- 1 Have you used technology to communicate with friends or family outside of your home? If so, do you think you will continue to use this after the lockdown period has ended?
- 2 What changes have your family made to reduce the amount you leave your home? Do you think you will continue with any when the restrictions are lifted?

Please note any interesting thoughts or comments here...

# Design your perfect world

Imagine you could create the perfect world. How would people think, feel, and behave?

## Be a 'Super Home Reader Hero' and raise funds for the NHS Heroes

We would like to invite you to participate in our reading competition in order to raise funds for the NHS. We would like you to read at least five days a week to a family member in your household.

### What you need to do

You can collect donations from family, friends and neighbours once things are back to normal. Adults can pledge a certain monetary amount per number of times a book is read or a flat fee for the whole competition.

Then as you read, you can record your progress on the sheet provided and use this to collect your donations after the competition is over. Once we are back in school you can bring your sponsor money – any amount is ok whether it be 50p or £50. On return of the reading record sheet, you will receive a token to go into a class prize draw for 'Super Home Reader'.

### Creative Challenge

We would like to challenge you to read in creative ways, this might include ideas like reading in unusual places around your home and garden, or dressing up in different ways. We would like you to send in photographs and/or videos of yourself reading your book to your class Twitter page.

@tankersleyspone Y1 class

@tankersleyspy2 Y2 class

@tankersleyspy3 Y3 class

@Class4Tsp Y4 class

@tankersleyspy5 Y5 class

@tankersleyspy6 Y6 class

We will collate all the photos or video entries that you send in and present them on our big school film screen. We will all watch these together whilst the core council judge their favourite entry based on the most interesting reading voice, most exciting place to read or reading costume.
