

HOME LEARNING

Snozzcumbers

DATE wb 29th June 2020

Ongoing daily activities

Reading

We would like your child to read daily. Please make sure that they read for at least 30 minutes a day. Ask your child questions to test their comprehension. Use the Canine Pal characters to help you do this.

For support with reading you can access resources on our school website. [Click on the 'Our Curriculum' tab then click on 'Reading Information'](#).

World Book Online have made over 3,000 books available!

You can also access eBooks on [Serial Mash](#) that is found on the [Purple Mash Learning Platform](#). We also have the Super Home Reader competition that is attached.

Times Tables

Practise your times tables daily on [TT Rock Stars](#). Check [Purple Mash](#) and [MyMaths](#) daily in case new tasks are added. There are resources available for this week's maths learning at:

<https://whiterosemaths.com/homelearning/>

Spelling

Practise your weekly spellings daily. See separate spelling lists.

This week's learning activities to complete with your child are outlined below. There may be some activities to complete from our Purple Mash Platform. This can be accessed from the link on our website or <https://www.purplemash.com/login/>

English

I have attached a reading comprehension about Wimbledon as we are missing it at the moment.

I would also like adverbs to be revised using
<https://classroom.thenational.academy/lessons/instructions-spag-focus-adverbs>

I would also like the children to revisit instruction texts, focussing on finding the features of an instruction text.

<https://classroom.thenational.academy/lessons/instructions-identifying-and-understanding-the-features-of-a-text>

Maths

There are resources available for this week's maths learning at:

<https://www.bbc.co.uk/bitesize/primary>

Click on the Year group to access the lessons.

I have also set work each day on mymaths.

I have also selected some lessons on angles on Oak National Academy. They have lesson guides that are easy to follow.

<https://classroom.thenational.academy/lessons/to-recognise-right-angles>

Science

We can all do more to help the environment. Use the following guide to help you learn more about waste. I would then like you to use recycled materials to create something useful at home. There are suggestions on the guide below.

<https://www.bbc.co.uk/bitesize/topics/zs7s4wx/articles/ztkx6sg>

Geography

As we are experiencing different weather have you ever wondered what causes weather? Try the following lesson to learn about what weather is.

<https://classroom.thenational.academy/lessons/what-makes-up-the-weather>

History

I would like you to research Alexander the Great. I have then attached some maps, one for you to look at and the other for you to label.

RE

Weekly virtual assemblies will be available for you to watch at home every Friday at 9am from the video channel:

www.vimeo.com/channels/picturenews

Art/DT

As the weather is nice I would like to see some outdoor drawings. Use the following video as a guide to sketching.

<https://classroom.thenational.academy/lessons/drawing-skills-how-can-we-use-texture-to-make-our-drawings-more-interesting>

PE

Joe Wicks is still going with his daily videos so it would be nice to give him some support and join his videos.

<https://www.youtube.com/watch?v=Rz0go1pTda8>

Computing

In computing we use many new terms and vocabulary. I would like you to revise algorithm, variables and debugging using the following guides and videos.

PSHE

This week's PSHE focusses on the Black Lives Matter movement.
