

**Nursery
Newsletter**

14th September 2020

This week we are exploring our sense of touch. If you have any 'touch and feel' books at home please bring them into nursery so that we can all share the experience together. We will use words such as rough, smooth, hard, soft etc. Perhaps you could go for a walk outside and use fingers to feel different textures such as bricks, floors, walls, tree trunks etc. Our literacy and R.E. focus this week is on the Bible story 'Noah's Ark.'

Many thanks,

Mrs. Terrell
