Great Gorillas Newsletter

W/c 5th October 2020

In **English** our focus will continue to be based on the picture book Zoo written by Anthony Browne. We will carry out various activities based on this book, using the pictures as stimulus for our work. We will also be writing a recount about our virtual visit to Chester Zoo.

In **Maths** we will be continuing our work based on addition and subtraction. We will be subtracting a one-digit number from a two-digit number and subtracting two, two-digit numbers.

In **P.E.** we will be continuing our gymnastic work.

In **Science** we will be learning how the living things in a habitat depend on one another to stay alive.

In **Art** the children will use their drawings/paintings of leaves to create templates to draw around. They will draw around the template and cut the material into leaf shapes. They will then use a felt -tip pen to mark on lines and detail. These shapes will then be stuck onto the background of the whole class collage.

In **Geography** we will be learning more about endangered gorillas.

In **Computing** we will be continuing with our coding work.

In **R.E.** we will be continuing to reflect about what God is like and how Christians worship Him.

Notices

My Maths homework is set from 02.10.20 to 16.10.20. The homework is based on adding two digit numbers.

Instead of our usual harvest collection, Pupil Council would like to invite children to make a **donation of 50p** any day next week from Tuesday, which can be posted in a Harvest themed box in the hall. We will then use the donations to buy a basket of Fairtrade products for the elderly residents of Glebe court.

If you have any queries, please don't hesitate to contact either of us.

Many thanks.

Mrs S. Chadburn & Mr A. Townsend

TRUE SHOW OF SPORTSMANSHIP
Spanish triathlete steps aside for British rival who made a wrong turn

A Spanish triathlete has received praise from all around the world for letting his opponent win third place in a race after he took a wrong turn. Diego Mentriga allowed Britain's James Teagle to finish ahead of him in the Santander Triathlon, after he made the wrong turn towards spectators less than 100 metres from the finish line. Teagle threw his hands in the air in agony as Mentriga overtook him. Realising his opponent's error, the 21-year-old slowed down and stopped short of the finish line. Teagle finished third by a fraction of a second.

Things to talk about at home...

- 🍌 Can you remember a time you've taken part in a competition or sports event? What was it? How did you feel before the event? After the event?
- 🍌 Have you ever won or lost a competition or event that was important to you? How did you feel?
