

Attendance at Tankersley St Peters Primary School

As a school we are required by the local authority to monitor our school attendance. Our schools target is 97% and we should be aiming for each child to strive towards this and better still exceed this.

We will be communicating more with you as parents regarding your child's attendance not only to highlight when attendance is falling into an area of concern but also when your child is exceeding our schools target.

On a half termly basis during the first week back after a school holiday you will receive some communication to highlight what category your child falls into with regards to attendance.

97% or above	EXCELLENT
90% TO 97%	WORKING TOWARDS
BELOW 90%	CAUSE FOR CONCERN

It is key that parents work in partnership with the school to ensure that your child achieves the 97% school target and the best outcomes of learning.

We have attached the traffic light indicator as a reminder on what impact a child's attendance can have on their learning and development.
