Nursery Newsletter
4th October 2021

This week our focus is on the season of Autumn.
We will be learning about Autumn by using non- fiction books, stories and our Smart board.
We will be printing Autumn leaves and making pictures of an Autumn tree showing its' changing colours. We will also be making use of 'treasures' such as conkers and acorns for other activities. Please bring in any conkers, acorns or leaves you may find during an Autumn walk for us to use.
Many thanks,

Mrs. Terrell

EY Resource

Look at and talk through the pictures, which show what it might be like if you were to catch a bus or get on a train. Where would you and your family go if you were to catch a bus? Do you have a bus stop near your home, or do you have a bus station? What about if you were to get on a train? Is it possible to get a train from where you live? Do you have a train station nearby that you could walk to, or would you have to go in a car? Do you think you would like to use trains and buses more? Why?
