

TANKERSLEY PE

Hi all, let me introduce myself. My name is Mr Cadman or as the kids call me Mr C. I've taken over the lead PE role here at Tankersley and enjoyed every single minute of it. One major fact about me is i live and breath football and seeing players take interest and show progress.

If you see me around the school don't be scared to say hi.

Thank you
Mr C

What's going on in PE!

One of my first tasks here at Tankersley was to get new equipment to make sure the pe lessons and after school clubs were able to be run to the best they can be. With the support of the headteacher, we have successfully done this.

I've also suggested training for the sports ambassadors where they learn how to deal with situations and how to deliver fun games to the other younger children.

EVERYTHING YOU NEED TO KNOW

The sports cluster ran on Fridays will be starting after half term. This is to help keep the number of COVID cases as low as possible within our school

As you will be able to see the up coming after schools club will be released soon. They are due to start just after half term with a wide variety on sport available for the kids to enjoy. Please keep an eye out for them being released as there are only a few places available within each club
