"A love of learning developed in a Christian environment"
Diocese of Sheffield | Barnsley MBC

15.3.2022

Dear Parents / Carers,

As part of the Early Years setting's history learning, the children will be comparing a range of telephones, kettles and cameras, spanning from the present day, back to the 1960's/1970's and further back in time. This will give the children a sense of how times change as they become historical detectives. Please send any items that you no longer need to school, to add to our resource bank.

The children will also be learning about the Royal Family (as part of the Monarchy) and in particular the life of Queen Elizabeth 11. If you have any Royal memorabilia that you would like to donate to the Early Years setting, we would be very grateful. The children will also be taking part in whole school celebrations of the Queen's Platinum Jubilee.

Thank you very much for your continued support,

The Early Years Team.
