# Why is it good to be me?

*'Progress means knowing more and remembering more.'*

1. What are the similarities and differences between yourself and your talking partner?

2. What does 'now' mean? Can you explain this using the time-line?

3. Going back in time, as a toddler, what could you do then?

Why is it good to be you?

1. What are the similarities and differences between yourself and your talking partner?

- Physical similarities and differences-hair, skin, eye colour, height.

- Interests

- Family diversity

2. What does 'now' mean?

- The present time/right now

- Can you explain this using the time-line?

- Can you start at the present moment on the time-line?
- Going back in time, as a toddler, what could you do then?

- Can you talk about and sequence the stages of your life in the past?

3. Why is it good to be you?

- Consider all of your knowledge to answer this question.
