Dear Families,

**Parent's evening**

Thank you all for your support with parent's evening. We have loved getting to know you more. In the spring parents evening, we will try to ensure that you have more time with the teacher. SEND parents will not need to book in for a parent's evening as you will have a meeting the week before with the class teacher and if appropriate, the SENCO.

**Harvest Festival** We are starting to collect donations for our harvest festival; thank you so much to the people who have already sent in items.

We are all looking forward to walking over to the church on the 5<sup>th</sup> and sharing our beautiful voices. Mrs. Cooper has been working hard with the children.

**Walking home alone**

Just a reminder that from Monday the 3<sup>rd</sup> of October, only children who are in Y5 and Y6 will be allowed to walk home from school alone; if their parents have completed the online form. Y2 will be collected on the playground side of the wall. Y1, Y2, Y3, and Y4 will be collected by an adult from the main playground. Foundation stage are collected from their playground.

**Mental Health**

Last week, the children were introduced to a healthy mind's poster, which shows children that when we are feeling "in our just right brain" we are able to learn. They were taught that it is ok to feel big emotions, but they also need

to learn how to get themselves back into their just right brains! Some school council members will be supporting their peers with some calming down tricks, once they have had some training with me (Mrs. Harrison). My favorite calming down trick is finger breathing – ask your child to demonstrate!

### Parent Calendar

Our website is now linked to our electronic parent calendar.
