18 November 2022

Dear Families

We have been looking at our parent survey results, and in response to the feedback we are pleased to announce that we are increasing the numbers in our breakfast club. Our breakfast club opens at 8:00 a.m. and the children have a choice of what they would like for breakfast and then they choose an activity that they would like to do. The price of the session is £4, which is reasonable in comparison to childminders. Please make sure that you book on as we do have a lot of demand for this service.

Thank you for all your support with recycle with Michael, we had 50 bags of clothes to hand over to recycle.

We had a very lovely fake wedding in nursery this week, that Cannon Hale came to host; complete with Haribo rings, it was really sweet! Talking to some of the older children in school, they remembered their fake wedding experience when they were in nursery.

Mrs. Cooper has been teaching the children about endangered animals, during her worship time. Some of the children wanted to share their poems with you.

Please stop killing Animals

Tigers are becoming extinct

In many countries

Global guardians are there to help out but we need your help too.

Extinct animals make us really sad

Right now there needs to be a change.

Thank you to Mrs. Cooper and Mr. Townsend and all the lovely parent volunteers for their support at the Autumn disco on Friday, the children were fantastic, they managed their behavior really well and enjoyed the evening.

If you haven't already donated we have a children in need just giving page;

Well done to our cross-country team (Y3 and Y4) girls, EE came first (from Y3) and IB came in third place (Y3) we were very proud of you!

Have a lovely weekend

Mrs. Harrison  
HEAD TEACHER
