Dear Families

Choose well guide.

South West Yorkshire Partnership NHS Foundation Trust has launched a guide to help children and young people (aged 18 and under) in Barnsley, Calderdale, Kirklees and Wakefield to 'choose well' when looking after their mental health and wellbeing.

They hope the guide will:

- Support people in looking after their mental health and wellbeing
- Inform people about how to access the right support when they need it
- Help people know what to do if experiencing a mental health crisis or emergency.

Uniform

The following is our school uniform

Trousers – black / grey

Skirt - black/ grey

Top - white/red

Jumper – red

Black shoes

No jewelry – we do allow stud earrings (nothing dangly!)

Also red school dresses

Some children have started to wear different colour jumpers and tops, if you need any uniform, we do have our vintage clothing racks so pop into reception and we can help you out. We are there to support you.

Nativities

Next week we will be starting the nativities, please could you all come through the reception door so that we can sign you in. The doors will open 15 minutes before the start and we will have tea and coffee available for a "donation".

We will also be selling raffle tickets for our chocolate hamper, both in the playground in the mornings and at the nativities.

Christmas

Next week, we have Christmas dinner day, which is Tuesday the 6th of December. We also have Christmas jumper day on the Thursday the 8th of December. The government have just announced that they will match the money donated for this deserving charity. We have a just giving page set up, the link is at the bottom.

Many thanks for all your support, have a lovely weekend and in a world where you can be anything...

In a world
where you can
be anything,
be kind.
