W/C 20th of February 2023

Dear Families

Welcome back to Spring 2 half term! I can't believe that we are over half way through the school calendar. This is a busy term for us as we have SATS boosters going on, we have handball competitions, tag rugby and many more!

WORLD BOOK DAY

It is world book day on Thursday, the children are very excited about dressing up as a word (although they are finding it a bit tricky to keep it a secret 😊) We are looking forward to welcoming you into school at 2:55 – 3:20 on that day, to hear the classes story that we have been saving!

We really value the importance of learning new vocabulary and hope that this day will continue the work that we are doing in school and you are doing at home.

BAKE OFF

Just a reminder that we are having a bake-off competition on 30 March 2023, one for adults and one for children. After the judging in the morning, we will be cutting up the cakes to sell to the children and parents! This is a brilliant day, in aid of Stand up 2 Cancer, which is a charity really close to our hearts.

WALKING TO SCHOOL

Modeshift are going to be running a walking to school breakfast on the 23rd of March. I know that some of our families come from a distance and walking to school is not an option. However, if you would like to join in with us and you have the time; would you like to park and stride? E.g., Park a little bit further from the school and take a small stroll to school? We are hoping to all meet at the entrance to Thornccliffe Way, but more information will be coming.

PARENT'S EVENING

Our parent's evening sign up has gone live for you to book appointments. If your child is on the SEND register you do not need to book an appointment as this will be covered in that meeting. We look forward to welcoming you to the hall (for KS1 and 2) and FS2 classroom (For FS1 and FS2). Thank you for your continued support

PLAYGROUND MARKINGS

We are loving our new playground markings, we have had a lot of children playing snakes and ladders, we have had lots of models built with the bricks and we love the new signage too. I have had to brush up on my Geography as children keep asking me where things are on the world map!

Mrs. Harrison
