W/C 6th of February 2023

Dear Families

Well, we have reached another half term, we are now half way through the school calendar. Time seems to be going so fast. I want to thank you all for your continued support and I want to wish you a happy half term.

WORLD BOOK DAY

Mrs. Chadburn has been working hard to organise world book day, where we are encouraging the children to come as words, that other people have to guess. We really value the importance of learning new vocabulary and hope that this day will continue the work that we are doing in school and you are doing at home.

BAKE OFF

As I mentioned in a previous letter, we will be hosting a bake-off competition on the 30th of March. There will be a children's competition and an adult's competition with all proceeds going to stand up 2 cancer. We are wanting to know if anyone can support us with prizes for the competition – please do let us know if you can help. More details on the competition will be coming after half term.

WALKING TO SCHOOL

As I have mentioned in previous HT letters, the road outside is a worry for us here at Tankersley. We have been told by our local MP and the council, that the road is not a priority as it is not yet a crash site. We are not wanting to put our children's lives in danger so we are continuing to work on our campaign. On that note, we have joined up with Modeshift, who are helping us to make changes and I am in talks with the parish council.

Modeshift are going to be running a walking to school breakfast on the 23rd of March. They will be handing out breakfast and stickers to those who have walked to school. I know that some of our families come from a distance and walking to school is not an option. However, if you would like to join in with us and you have the time; would you like to park and stride? E.g., Park a little bit further from the school and take a small stroll to school?

Thank you for your support in making our community a safer place for our children.

Have a lovely break.

Mrs Harrison
Head Teacher
