

T2a- What makes it winter?

Vocabulary	How will I remember it?	What is it?
winter		Winter is one of the four seasons and the coldest time of the year.
Cold		Cold is the opposite of hot. It can refer to temperature. All cold things are icy in some way.
weather		The weather is the condition of the atmosphere in one area at a particular time, for example if it is raining, windy or snowy. The weather was bad. I like cold weather .
snow		Snow falls from the clouds. It snows when it is very cold. When it is freezing cold high in the sky, water droplets turn into tiny ice crystals. These fall down as snowflakes.
