

Home Learning Grid : Reception Class Summer 3A

Here is an outline of the home learning activities for Reception class this half term. Please sign the grid to show you have done an activity and send in the Home Learning Grid/book every Thursday with any form of recording your child has done (e.g. photo, picture, writing, children's quotes, or creations). Please ensure that you read at least 3 times a week with your child in addition to the activities below. Whenever possible, please assist your child with tricky word reading and writing (the words are inside your child's book bag wallet) along with recalling number bonds to 5.

Counting

Using pictures or plastic animals count them in 1's. Once you are sure you can count them in ones, line them up in twos. Can you count them in 2s? Can you practise writing the numerals? Can you count the animals in groups of 5?

Parent comment:

Time

Take photographs of some of the things that you do at different times of the day. Perhaps you could make your own clock or use a clock that you have at home to show the time. Can you practise telling the (O'Clock/half past) time?

Parent comment:

Write

Imagine that you are a Rainforest Explorer. Can you write a story about your Rainforest Adventures? Uses your senses to describe-What can you see, hear, feel?

Parent comment:

ICT

Can you find some different technology that is used at home? Do you know what the different technology is used for?

Parent Comment:

Paint

Can you draw or paint a picture of your favourite animal? Think carefully about body shapes, colours and textures.

Parent comment:

Create

Can you create a model of a wildlife sanctuary? Which animals will live there? Can you draw a design before creating your model? Which materials will you use?
