Dear Families

This has been a busy week for us at Tankersley, where lots of assessments have been conducted. The Y6 children have been so resilient, I am so proud of all of them, and I would like to thank all the parents for being so supportive. They now have their hoodies, which they are currently wearing with pride.

Water Safety Assembly

On Monday we will be having an assembly about water safety, which is a very important subject. Please do ask you child/ children about how they can keep themselves safe when the weather gets warmer.

SEND survey

Here is the short survey that the SEND department for Barnsley are using to collect initial views and ideas about how we should move forward. They have asked me to share this with our parents who have SEND children.

Swimming Team

I would also like to say a big congratulations to our swimming team (y4/y5) who came 7th out of 250 competing South Yorkshire schools. I was so proud of them, they conducted themselves really well and were great sportsmen and women. Well done guys!

Coronation Coins

I hope that some of you were able to go and visit the coronation coins at the church on Monday. I went along to see how fabulous they looked and I promise I was distracted by the lovely cakes on offer too 😊 . The children did a really good job.

I hope they liked the bookmarks too, I have kept one for display purposes.

After School Clubs

After school clubs are available to book onto through school comms priced at £4.00 per child per session. Children can choose whether they partake in sports or crafts. Please find attached the schedule of sports available throughout the week.

Have a lovely weekend, I think that we might be getting a little sunshine. I hope Y2 and Y6 have a fun weekend after all their hard work.

Mrs Harrison
Head Teacher
