

## Our Christian Vision

*"Guide me in your truth and teach me,  
for you are God my Saviour and my hope is in you all day long."*

## Key Qualities of a Tankersley Child

### *Confident*

*Our children are given opportunities to grow in confidence as leaders through ambassador roles, job shop, being representatives on the pupil and worship council, participating in performances and representing Tankersley in sporting events.*

### *Aspirational*

*Our curriculum creates opportunities for children to thrive and be the best that they can be. This is achieved through a positive approach to learning and high expectations of standards. We have lots of members of the community come into school to inspire our children.*

### *Respectful*

*Our school Christian ethos and curriculum, nurture the core value of respect. We achieve this by teaching a diverse curriculum that promotes equality, and values everyone.*

### *Articulate*

*Our children are immersed in word-conscious classrooms and are exposed to rich vocabulary in all areas of our curriculum. As a consequence of their collaborative learning experience, they are able to explain the depth of their knowledge and become articulate individuals.*

### *Compassionate*

*Our school Christian ethos and curriculum foster compassion and empathy. Our children develop a keen awareness and concern for the world around them, and are encouraged to consider people less fortunate than themselves. We try our best to be kind and caring and award kindness in school.*

### *Literate*

*Our children become literate individuals as they journey through Tankersley. This is due to the joint commitment of both school and home to ensure that reading is of the highest priority. Once equipped with the tools to read, our curriculum develops the children's understanding and promotes a lifelong love of reading.*
