

RECEPTION CLASS NEWSLETTER-Monday 18th September 2023

This week the Shining Stars will be learning about sorting shapes and spotting the sorting rules in order to solve problems. In literacy, the children will be writing about their favourite part of 'How to Catch a Star' and creating their own self- portraits using pencil crayons. The children will be choosing their learning both in and outdoors.

Reading

Please listen to your child read each day and jot this down in their white home/school journal. We use this information to give out reading tokens for reading 3 times a week or more at home. Your child will then be entered into a prize draw on a Friday.

Natural objects

As part of our Autumn display we are collecting leaves, twigs, sticks, conkers and acorns. We will also be using these natural items in our maths and outdoor learning. Please send any of these items into school with your child. Many thanks.

A photograph of your child reading

Please send a photograph of your child reading at home to Mrs Morgan's e mail address (details already sent out). Thank you.

Parent/Carer Drop in session-Friday 22nd September after school in Reception class

If you would like a chat with your child's Early Years practitioners please call in and have a chat. It is a good time to discuss home learning, look at learning journals and talk about next steps.

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website.* Also look out for our learning on twitter.**

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
