

Our Harvest church service will be on Thursday 5th October at 9.30am.

Butterfly Lions

*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

25.9.23

Hello,

Our ambassador and council jobs are well under way and it is so lovely to see our Butterfly Lions supporting other children in school.

This week your child will be bringing home their Christmas card design. You can order them online by following the instructions on the sheet. The designs must be returned to school by 18th October so that we can send them to the company to be made. Thank you.

Here are a few things happening this week.

We are going to combine our Art, Computing and History work to create an animation to show how the Romans attempted to conquer Britain. I can't wait to see them!

In English we will be using the text 'Romeo and Juliet' as a stimulus for our learning.

Main activities for English are- To be able to use a pair of dashes to show extra information and to use a dash to separate 2 related main clauses.

In Maths our theme is Number: Addition, Subtraction, Multiplication and Division. Our Maths Meetings for this half term will focus on fluency of numbers and place value.

Other curriculum activities for this week include- RE-How did God use Moses to bring about freedom and Moses- the 10 commandments? Science- Light: How do we see things?

These are the spelling s we are working on at the

This is our lovely, new class photo.

Our home learning this week is My Maths. *Don't forget to see what we are up to by following us on Twitter/X and our school website.* Lorna Johnston
