

# Butterfly Lions

*Guide me in your truth and teach me,  
for you are God my Saviour and my hope is in you all day long.*

5.9.23

Hello,

The children are settling in beautifully and are already enthused about their learning. What a fabulous bunch of polite and thoughtful children. It's going to be a great year.

Here are a few things happening this week.

In English we will be using the text 'Romeo and Juliet' as a stimulus for our learning.

Main activities for English are- To be able to use a pair of brackets to indicate extra information/parenthesis and to be able to use commas to clarify meaning and in a list. We will also be helping Lady Capulet prepare invitations for the Capulet Ball and hopefully attending the Capulet Masked Ball ourselves.

In maths our theme is Number and Place Value. Our Maths Meetings for this half term will focus on fluency of numbers and place value.

Curriculum activities for this week include- RE-What do we remember about world religions? History- Romans: How was Rome founded based upon the legend of Romulus and Remus? Science- Light: How do we see?

Please could you remind your child to read for pleasure at home and to fill in their reading diary? Thank you.

*Don't forget to see what we are up to by following us on Twitter and our school website.*
