

Nursery Newsletter 11th September 2023

This week we are going to find out more about ourselves and our sense of sight.

In our creative area we are going to use a tablet to take a 'selfie,' and then draw an observational self- portrait. We need to check the shape of our head, eyes and mouth!

The title of one of our nursery display boards is 'Look What I Can Do.' It celebrates achievements and what we can do outside nursery. (e.g. ride a bike, ballet dance, help bake a cake, swim, play football, bounce high on a trampoline etc.) Please could you bring in a photo for our display.

We are also going to create a 'time line' as we learn about how things change as time passes. Please could you bring in a baby photograph of your Hungry Caterpillar.

Many thanks,

Mrs. Terrell
