8/9/23

Welcome back to our lovely families and hello to all our new families. What glorious weather to come back to and such a shame that we did not have more sunshine while we were on our break! I had a lovely summer, having older teenagers meant that they did not want to come out with me, or get up before noon 😊. Although, I did manage to drag the youngest to North Yorkshire and hunt for waterfalls.

I would like to thank the friends of Tankersley (including David Crossley) for helping us to fix our reading shed in the playground. They raised it up as it had been damaged by surface water. We did lose books and our carpet, but hopefully we will be able to replace those soon!

Parking

Can I ask that we all park courteously? We try and maintain a good relationship with our neighbours; however, when parents park over people's drives, this breaks down and we get letters of complaint, phone calls and people coming over and being cross with us. It would really support the school if you could think about the effect it is having on our team, when people don't park with consideration. Can I also ask that we don't park on the pavement in front of the school? As this is dangerous and puts our children in danger.

Concrete

We would like to confirm that we have no RAAC on site. I know that it has been in the news and some parents may have been wondering about our circumstances. We were chosen randomly to have a surveyor out, who was commissioned by the DFE. They confirmed that we have no RAAC on site.

Dates for your diary

The harvest festival will be on the 5th of October. More details will follow.

Have a lovely weekend while the weather lasts!

Mrs Harrison
