

### **RECEPTION CLASS NEWSLETTER-Monday 16<sup>th</sup> October 2023**

This week the Shining Stars will be deepening their learning about numerals matching to quantity and quantity to numerals, as well as making connections about the 1 more/1 less than relationship between consecutive numbers. The children will also be having maths meetings relating to the composition of numbers. They will be exploring 2 and 3 part repeating patterns; continuing them and creating their own. The Shining Stars will be writing weekend news and listening to the story: 'So Much' by Trish Cooke. Autumn poems on the 'Poetry Basket' smart board and Helicopter stories will be continuing from last week. As usual there will be lots of self-initiated learning both in and outdoors and the children will have opportunities to notice Autumnal changes in their natural world.

**Parents Evenings-Monday and Tuesday after school in the school hall**

**Maths Mastery Parent/Carer workshop-Wednesday after school in Nursery classroom**

#### **Reading**

Please make sure that your child's reading book and white home/school journal is in their book bag each day, in school. We will be hearing the children read at different times across the week. Thank you.

#### **Lending Library-Monday**

Please remember to return your child's lending library book every Monday. Thank you.

#### **Proud Clouds**

Please send all completed Proud Clouds back to school when they are ready. We will be displaying them in class. Thank you.

**\*\*Remember to take a look at the 'Shining Stars' Reception class blog on the school website.\* Also look out for our learning on twitter.**

Thank you for your continued support.

**Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)**
