

RECEPTION CLASS NEWSLETTER-Monday 9th October 2023

This week the Shining Stars will be matching numerals to quantity and quantity to numerals. They will be comparing quantities and learning about the 1 more/1 less than relationship between consecutive numbers. The children will also be exploring 2 part repeating patterns; continuing them and creating their own. The children will be busy finishing off writing their invitations for their EYFS paper plane competition. They will also be learning Autumn poems on the 'Poetry Basket' smart board and creating their own Helicopter stories which they will direct and act out with friends. As usual there will be lots of self-initiated learning both in and outdoors.

Reading

Please make sure that your child's reading book and white home/school journal is in their book bag each day, in school. We will be hearing the children read at different times across the week. Thank you.

Toothbrushing home learning challenge

Please encourage your child to take part in the morning and evening tooth brushing challenge as well as tick their sheet each time they have brushed. The sheet will be inside your child's red book bag. Once completed, please send the sheet back to school. Thank you.

Parent/carer drop in session-Friday 13th October 2023

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website.* Also look out for our learning on twitter.**

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
