

Butterfly Lions

*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

9.10.23

Hello,

OUR LIBRARY VISIT- TUESDAY 24TH OCTOBER AM

Did you watch our fantastic Roman invasion animations? If not, you can see them on the Tankersley Vimeo. Our Butterfly Lions are so busy with their learning and enjoying every minute. Here is a fabulous photo of them dressed as Friar Laurence.

Here are a few things happening this week.

In English we will be using the text 'Romeo and Juliet' as a stimulus for our learning.

This week, in the role of Friar Laurence, we will be applying lots of our writing skills in a letter to Romeo. I can't wait to read these.

In Maths our theme is Number-Addition, Subtraction, Multiplication and Division. This week we start our journey with Long Division. Our Maths Meetings for this half term will focus on fluency of numbers and place value.

Curriculum activities for this week include- RE- How do Christians campaign for freedom and justice? History- Romans: Did the Romans conquer Scotland? PSHE- Worry.

The children's reading diaries are great- thank you for encouraging them to write comments about what is happening in the story. Our home learning this week is My Maths.

You will have received your child's Christmas card. If you have ordered online, please return the design to me so that we can send the design to the company where they will be made.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Lorna Johnston

These are the spellings we are working on at the moment.
