This week we will be following our noses and finding out about the sense of smell. It can warn us of possible dangers and keep us safe. What would you do if you could smell smoke? If something smells bad would you eat or drink it?

We are going to play 'Guess the smell'. Can someone who is blindfolded identify lemon, banana, mint, chocolate, coffee, or flowers using their sense of smell?

Our stories have a smelly theme such as, 'The Very Smelly Princess' by Stephanie Moss.
