

**Nursery
Newsletter
23rd October 2023**

This week our focus is 'books.' We will be listening to story books and finding out information from non-fiction books. We will be learning about a very special book called the Bible.

Has your Hungry Caterpillar got a favourite book? Have a think and a chat about it. We will be discussing our favourite book during circle time.

It is INSET day on Friday.

Enjoy the half term break.

Mrs Terrell
