

# BILLIONAIRE NEWS

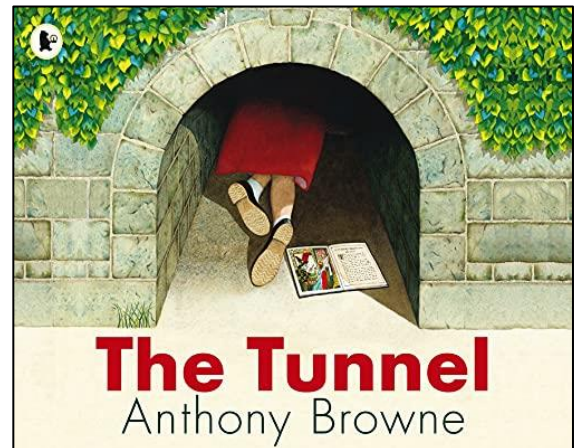

19<sup>th</sup> October 2023

Hello parents and carers!

It was wonderful to meet you all at parents evening. I know that you may be concerned about the upcoming trip to Bradford in November due to tension caused by the conflict in the Middle East. The trip is currently still going ahead, though we are monitoring the situation very closely. As mentioned at parents evening, our Times Table test is likely to take place in the week commencing 10<sup>th</sup> June 2024. Please support your children at home with their times tables and let me know if you have any trouble logging into TT Rock Stars. It is the Y4 Tudor performance on Wednesday 25<sup>th</sup> October (afternoon). We hope you can make it!

## What have we been learning this week?

- **Maths** - Addition and subtraction with exchanges.
- **English** - We are reading 'The Tunnel' by Anthony Browne and will be writing a fantasy narrative about Rose's journey to save her brother, Jack.
- **R.E.** - How does having faith in God affect how people live?
- **P.E.** - Gymnastics / Outdoor and Adventure
- **PSHE** - Healthy Living
- **Science** - Why do herbivores and carnivores have different teeth?
- **History** - What was life like for the poor and rich in Tudor Britain?
- **Art** - Self-portraits using correct proportions.

## Reading

Reading diaries should be in school every day so that staff can make notes about your child's reading. They are checked weekly to ensure children are **reading at home at least three times a week**.

## Homework and RWI spellings

This week's homework is **reading (The History of Gaming)** and is due on **Monday 23<sup>rd</sup> October**. Next week, homework will be set on MyMaths.

Children have the opportunity to get a head start on their homework on Thursday and Friday afternoons in school.
