Dear Families,

Well, the weather has certainly been changeable this week! However, so far, we have managed to maintain outside play at break and lunch time. Please could you make sure that your child does have a waterproof coat with them, as we do go out for fresh air, even if it is raining lightly.

MEASLES UPDATE FROM THE NHS

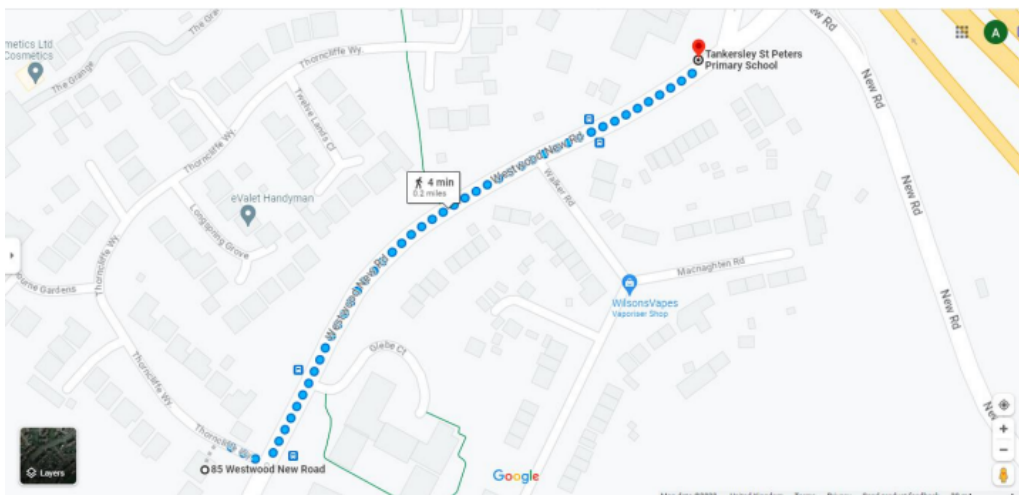

Measles cases are rising across the country, with over 102,000 children starting primary school in England being at risk of catching the disease. We have been asked as education settings to share key messages from the NHS about MMR / measles and how to get vaccinated.
