*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

13.11.23

Hello,

We really enjoyed our day at Crucial Crew and learned a lot about keeping safe. Behaviour was exceptional and it was lovely to hear the class being praised by the staff at the venue.

In English, we will be using the text 'Escape from Pompeii' as a stimulus for our learning. This week, we will be applying our writing skills to write about volcanoes. In Maths, our theme is Fractions- adding and subtracting fractions. Our Maths Meetings for this half term will focus on written calculations for the 4 operations. Curriculum activities for this week include-Geography: What are the physical features of Italy? RE: Why did Jesus tell parables? PSHE: Water Safety. Science: Electricity.

Our home learning this week is My Maths.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care.

Lorna Johnston

**Adding
Fractions**

$$\frac{3}{10} + \frac{2}{6}$$
