

## Nursery Newsletter

w/c 6<sup>th</sup> November 2023

Welcome back after the holiday break. This half term our enquiry question is 'How do we Celebrate?'

We will be learning about Bonfire Night, Remembrance Day, Christenings, birthdays, Advent and of course Christmas! This week we will be focusing on Bonfire Night and learning about Guy Fawkes. We will be busy in our creative area making sparkly firework pictures.

On Saturday 11<sup>th</sup> November it is 'Remembrance Day.' We shall be finding out about why people wear poppies and we will be having a one minute silence at 11 am on Friday.

Please only send water in your child's water bottle. This is in accordance with the rest of the school. The reason that we encourage the drinking of water is that research has conclusively proved that brains work much better when they are hydrated regularly by drinking water.

Many thanks,  
Mrs Terrell
