

Florence Nightingale Experience

Dear Parents,

In term 2a we will be learning about the life and work of Florence Nightingale. Therefore, we are planning to invite a special visitor to class 2 in order to deliver a drama workshop.

The first part of the workshop will involve the children meeting Miss Florence Nightingale... 'the lady with the lamp'. She will retell her life story, with the involvement of the children. She will use lots of props, costumes and artefacts to help bring the topic to life. The second part of the workshop will involve small groups engaging in activities to consolidate their learning about Florence Nightingale.

The activities include:

Role-play, dressing up (all costumes and props provided).

The workshop will take place on the morning of Wednesday 7th February. There will be a cost of £7.00 per child. Payments must be paid via School Coms.

Many thanks

Mrs S.Chadburn
