Dear Families

Wow, we have come to the end of our term already! It has been a rollercoaster, with so much happening.

This week, we had the fabulous nativity from FS2. I was so impressed by all the children, who sang beautifully and performed so well.

We had our fabulous church service, yet again, I was impressed with all the singing and the reading. The choir were so dramatic and engaging.

Our Y3 children have also been down to Glebe Court to sing to some of the residents. One Y3 pupil reported back to me and said, “ we made them emotional Mrs. H!” which made me smile.

Today, we had a brilliant brass band concert. I was blown away (literally this morning) by how good they were already. With only a few months' practice under their belts – they were fabulous. Mr. Francis is a brilliant teacher.

In January we are running a workshop, just for parents, to support their children with anxieties. I have been asking for over a year for this workshop, as I see a lot of young people struggling with worries and anxieties, this has only increased with the covid pandemic. I hope you will be able to join us, more information on how to sign up, will come out in the new year.

We are very excited to launch Tankersley St Peter's Primary School lottery. This lottery has been set up specifically to raise money and make a difference for our children! Tickets are £1 each and the first draw will be Saturday 13th Jan 2024

So, my final job is to thank you all for all your support, you have been amazing, and wish you a Merry Christmas and a Happy New Year.
See you all in 2024.
