

Nursery Newsletter 8th January 2024

Happy New Year!

This week we will focus on old and new toys. We will be finding out about the new toys Santa brought us for Christmas.

On Friday it is 'Show and Tell'. Children can bring in their favourite toy to show and talk about. It could be an old favourite toy or a new favourite Christmas present.

Our role play area is going to become a toy shop. If you have any unwanted toys you would like to donate for our toy shop I would be really grateful.

Also, if you have any nursery age appropriate magazines for our reading area please could you bring them to Nursery.

Please could you put a name label on your child's water bottle and packed lunch box.

Thank you!
Mrs Terrell
