

RECEPTION CLASS NEWSLETTER-Monday 29th January 2024

This week the children will be learning about the Arctic; where it is the world, what its environment is like and which animals make their habitat there. The children will be creating an Arctic animal fact file and playing with an Arctic small world landscape. The children will also be exploring the composition of number 7 and recording the ABB and ABBC repeating patterns that they make using different objects in different contexts. In Art, the children will be exploring additive sculpture and creating different models to represent objects. The children will also be starting to learn about Chinese New Year and be hearing 'The Great Race' story. As usual, there will be lots of free-flow child-initiated learning in and outdoors.

Parent/Carer Drop in session

This week, the drop in session will take place on Friday 2nd February from 3.30pm. All are welcome! 😊

Parent/Carer/s needed to help at the Reception class lending library

Please talk with Mrs Hartley or Mrs Morgan if you are interested in helping out at the Reception class lending library. It takes place once a week. Thank you.

****Please hand in wow moments or home learning photographs to any member of the EYFS team. Thank you. We really value your contribution to your child's learning journal.****

****Remember to take a look at the 'Shining Stars' Reception class blog and Twitter on the school website**** Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator).
