*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

22.1.24

Hello,

Last week, we were reading about the plague doctor and realising that he's not as alarming as he appears. We then dressed ourselves as plague doctors using the evidence from the text. Here is a photograph of us.

In English, we will be using the text 'Macbeth' as a stimulus for our learning. This week, we will be learning how to plan a short story, we will be collecting atmospheric vocabulary and we will be learning how to apply a variety of writing skills to a short story.

In Maths, our theme is Algebra.

Curriculum activities for this week include- History: How was London affected by the plague? RE: What do worship songs tell us about Jesus? PSHE: Making friends online.

Science: Living Things- Classification.

Our home learning this week is Reading comprehension.

Just a reminder that the next instalment for Hesley Wood is now due.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care. Lorna Johnston
