*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

29.1.24

Hello,

We have been learning lots of techniques when drawing with charcoal. Here are some of our plague doctor pieces of art using charcoal.

In English, we will be using the text 'Macbeth' as a stimulus for our learning. This week, we will be learning how to write a short story about Macbeth meeting the three hags.

In Maths, our theme is Algebra.

Curriculum activities for this week include- History: What did people do to try and cure the plague? RE: What is the Kingdom of God? PSHE: Keeping Safe Online. Science: Living Things- Classification.

Our home learning this week is My Maths.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care. Lorna Johnston

We are so proud of our footballers- they were amazing.
It's the girls playing this week and it's the athletics final.
Good luck to all.
