

Our spellings at the moment.

Butterfly Lions

*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

8.1.24

Hello,

Welcome back to another fun-filled term of learning in the Butterfly Lions. Before the break, we completed our DT projects and here are a few for you to admire.

In English, we will be using the text 'Macbeth' as a stimulus for our learning. This week, we will be learning how to use a pair of brackets, dashes and commas for parenthesis and predicting why the three hags are waiting for Macbeth using drama. In Maths, our theme is Ratio.

Curriculum activities for this week include- History: What do we remember about historical events from the past? Who were the Stuarts? RE: What kind of king is Jesus? PSHE: Ambitions and Dreams. Science: Living Things- Classification.

Our home learning this week is Reading comprehension.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care. Lorna Johnston

For every _____ squares, there are _____ circles.
