

Nursery Newsletter 29th January 2024

This week we are finding out about the season of winter and discussing the special things we do with our family in winter when it snows, such as going for a winter walk, making a snowman, going sledging, having a snowball fight, making a snow angel etc.

We will be singing and chanting lots of counting rhymes, such as '5 little snowmen' ' 5 Little speckled frogs', '10 fingers on my hands', '1 elephant went out to play', '5 currant buns', '5 little ducks' and '1,2 buckle my shoe.'

Please remember to wear red on FRIDAY and bring £1 to school to support a children's heart surgery charity.
Many thanks,

Mrs Terrell
